

Cornell Floriculture and Cornell Botanic Gardens invite you...

Open House

Saturday, August 11

9 am to 2 pm

Bluegrass Lane Turf and Landscape Research Center

Come and see:

**Annual and perennial plant trials ● Pollinator garden ● Grafted tomatoes
Planting media trials ● Containers planted by the Botanic Gardens' amazing gardeners!**

Staff will be available to answer questions on what we do.

This event is open to the public; bring your friends and family!

232 Bluegrass Lane, Ithaca, NY 14853

(Off Warren Rd., near Robert Trent Jones Golf Course, follow signs for parking)

**Please note that these are research plots; no picking flowers
or taking cuttings, please!
Restroom facilities are limited.**

If you have questions or need special accommodations please contact Tara Reed tln2@cornell.edu or 607-592-5620
